WELCOME!

We would like to welcome you to San Diego for the 31st Annual Advances in the Practice of Pediatrics. This conference is designed for pediatricians, family physicians, nurse practitioners, physician assistants, nurses, and allied health professionals caring for children.

We are honored to have Dr. Nancy Barry, Dean of the School of Social Ecology and Professor of Psychology and Social Behavior at the University of California Irvine, and Dr. Adriana Vivolo from the Centers for Disease Control as Keynote Speakers on the topics of youth violence, resilience, and cyberbullying. As always, our own Alana Vivolo, M.D., will cover current and future research and practice with special trackers in the fields of neuroimaging, forensic psychology, and nutrition.

We would like to welcome you to San Diego for our 31st Annual Advances in the Practice of Pediatrics. It is our goal to provide a forum for educational meeting in San Diego in which current and future trends in medicine, science, and allied health can be discussed. We hope you will join us at this excellent educational meeting in San Diego!
